RESPONSE TO FINAL OFFICE ACTION

Dear Sir:

Applicant's attorney was informed by the examiner on March 29, 2005 that the amendments in the previous response, dated February 4, 2005, to the final office action were not entered because Applicant's attorney used the designation of "previously amended" next to some claims rather than the "previously presented" designation.

This present response responds to the final Office Action dated December 8, 2004, in the above-identified application and corrects the claim identifiers. Applicant thanks the Examiner for withdrawing the finality of the previous Office Action.

Amendments to the claims canceling certain claims begin on page 2.

Remarks begin on page 6.
